

Whatever you touch and hear  
in organ building: you'll always come  
across one of our ideas.

## HEUSS range of fuses 4260-061 HEUSS wire end sleeving range 4260-062

The right tool and the right accessory are essential to achieving top quality. That is why we ensured that our box of parts contain precisely those parts you need as an organ builder. The variety of components is wide and they are all to hand when needed for commissioning and maintenance.

- We offer excellent prices as we purchase in bulk quantity from the manufacturer.
- All modules are in a securely closed box designed to be easily carried.
- Labelling on the lid makes it easy to associate them with the individual assemblies.
